ARTWORK & SCULPTURE  
QUINTESSA

## QUINTESSA

Viewing the stunning interiors our clients have designed in 2023 and how they use Quintessa in their schemes, fills me with great pride.

Our client's needs are paramount and Quintessa's talented and highly experienced artists and artisans aim to deliver perfection each and every time.

Our homes continue to be integral to our well being. They nourish our souls, they become our sanctuaries to enhance our personal wellbeing and that of our families.

It's our belief that art adds the final and often vital finishing touch. It gives a room gravitas and a soul.

Thank you all for the generosity of permitting others to view your work. May I take this opportunity of thanking you for using Quintessa in your beautiful schemes.

My commitment to you will be to continue to design and make stunning wall decor in the year ahead.

## Nicole Fetscher

Claridges Hotel London

“The Maybourne Hotel Group’s collaboration with Quintessa started over a decade ago at The Connaught Hotel and it continues to this day at Claridge’s. From the start of each project to its completion, the journey we travel with Quintessa is always a most successful one. The wonderful Vardit Lunzer and her team understand our aesthetics and always surpass our expectations by providing not only an outstanding customer experience, but with Vardit’s keen eye for detail and exquisite taste she ensures that each work of art is enhanced by the right choice of frame. Over the years they have also designed frames that not only complement and enhance Claridge’s distinct style, so that some of the most prized artworks in our collection received the ‘Quintessa touch!’”

**“ We love working with you  
as we get such great and  
proactive service. ”**

Quintessa Art showcases an extensive collection of artworks which are suited to most interiors but, they also offer great creative input if you need to develop totally bespoke paintings. Quintessa Art not only brings to the table a high level of expertise, but they are also a pleasure to work with. Above all, I will continue working with Quintessa Art because they deliver ‘quality’. Whether you have a small or unlimited budget they will endeavour to supply the perfect selection for your projects. ”

“Quintessa is one of our trusted go-to suppliers as the whole experience from start to finish is faultless and stress-free. They provide a personal touch, ensuring that every detail is thought of, from RAL colour to frame finish, which allows the art to sit perfectly in the space you are designing. The art is beautifully curated and overseen to the highest quality; resulting in pieces that ourselves and our clients are extremely happy with.“
